By signing this statement, I hereby verify that the above mentioned horse is a gelding.

No stallions, monorchid, or cryptorchid horses, regardless of age, will be permitted in any Category 3 youth classes. If the competition license indicates "stallion" for a horse that has been gelded, entry into an NRHA approved youth class requires that a gelding statement form be filed with the show results and submitted to the NRHA office. Failure to comply will result in the forfeiture of earnings and awards.
