More information and contact information can be found at www.NRHA.com.

Show Approval Form Tips

- *AA and A level events must submit approval forms **180 days prior** to the **entry closing date!**
- *B level events must submit approval forms **90 days prior** to the **entry closing date!**
- *You must submit money for trophies at the same time show approvals are submitted if you are purchasing official NRHA trophies.
- *The person or entity who signs the front of the Event Summary Form is financially responsible for the event.
- *You must fill out only one Event Summary Form for the entire event. And then fill out the appropriate form for each slate of classes. (see page 3 for definitions)
- *After your show is approved, you will receive a print out of your show by fax or email. Please proof the print out and immediately contact the NRHA office with any corrections or additional information.
- * See current NRHA Handbook for all show approval guidelines, restrictions and patterns.
- * See current NRHA Handbook for eligibility in each class.

Show Management Guidelines and Suggestions

- *Show Manager, Show Secretary and Show Representative/Steward must be current NRHA members.
 - *Show Manager, Show Secretary and Show Representative/Steward must be three separate people and the Show Rep/Steward cannot be immediate family (as defined in Non Pro conditions).
 - *Show Representative/Steward must have been an NRHA member for a full calendar year.
 - *AA events require a show steward that is a current NRHA judge or FEI Reining Steward. This person cannot assume any other duties at the same show while performing as the steward.
 - *All NRHA Approved Events require the show secretary to be NRHA certified.
 - *AA and A level events require a paddock manager.
 - *AA and A level events require a videographer.
 - *NRHA approved judges must be hired to judge your show. The number of judges required is based on the amount of added money per class. Use the following chart to determine the minimum number of judges required for each class:
- | <u>Added Money</u> | <u>Number of judges</u> |
|---------------------|-------------------------------|
| Less than \$2000 | 1 |
| \$2000 - \$10,000 | 2 |
| \$10,000 - \$50,000 | 2 (but three are recommended) |
| \$50,000 or more | 3 (but five are recommended) |
- *Be sure to review all rules pertaining to the hiring of judges (ie. who can hire and who they can hire) in the most current NRHA Handbook.
 - *Show Secretaries must see current membership cards for EVERY rider, owner and co owner at EVERY show. Making copies of each card at your show can help to keep accurate records, however, do not rely on these copies from show to show. Membership status' can change!
 - *Show Secretaries must see current NRHA Competition license for EVERY horse at EVERY show. Making copies of each license at your show can help to keep accurate records, however, do not rely on these copies from show to show. Ownership of a horse can change!
 - *Fines can occur due to mistakes made and deadlines not met. Please consult the NRHA Handbook for all deadlines and fines!
