

2022 BREEDING CONTRACT

- Include this donation in the Sire & Dam auction*
- Do not include in the auction (private sale)
- Do not include in the auction (buyback)

This NRHA Breeding Contract is transferable to a mare owner who contributes 60% of the advertised breeding fee, or a minimum of \$500, to the NRHA. The stallion owner/agent shall supply the appropriate documentation to facilitate the registration of the resulting foal according to the appropriate breed registry. For Private Treaty fees contact the Sire & Dam Administrator. Only one embryo transfer will be recognized per contract. In the case of frozen semen, the same rules apply as a live stallion breeding donation as long as semen is viable. A live foal is guaranteed only to the extent of one return breeding the following year (the same or a substitute mare), and then only by the initial owner of this contract. Any mare care charges, accidents, illness, or any mishap concerning the mare named in this contract are the responsibility of the mare owner. A mare owner shall contact stallion owner/agent and be responsible for any and all charges/fees related to execution of this contract. NRHA is not responsible for any costs, expenses, or charges relative to execution of breeding contract by the breeding facility not contained or recorded in this contract. There will be no refunds. NRHA's involvement in, and responsibility for, the Sire & Dam Program terminates, except as otherwise provided in this agreement, upon the transfer of breeding to the mare owner.

**Donations submitted for sale at auction will be sold to the highest bidder. Following the auction, unsold donations will be sold at the above listed rate of 60% of the advertised breeding fee or a minimum of \$500. All other conditions of this contract apply to donations sold at auction.*

Stallion owner/agent, mare owner/agent, and NRHA stipulate that all terms and conditions of this contract will be construed and interpreted according to the laws of the State of Oklahoma.
