Para Reining Plaques Presented by Hart Trailers

- Hart Trailers is now NRHA's Official Para Reining Sponsor. That stemmed from Hart Graham's involvement with Amberley Snyder, a professional barrel racer who is paralyzed from the waist down but still competes at the highest levels.
- Hart Trailers will provide a plaque for every NRHA approved Para-Reining class at no charge to the show management!
- You can read more about it here: [Hart Trailers Announced as NRHA Official Trailer and Para Reining Sponsor](#)

European Events Approval Policy

- All AA and A European event approvals are required to be submitted to the NRHA office 180 days from the first day of the event. The event organizers may change added money until 90 days before the event so long as it does not change the classification of the event. The European Executive Board will review all approvals that are submitted after the 180-day deadline.

Show Secretary on Show Grounds

- Show Secretaries must be present on the grounds for the show's duration. If an emergency arises and the show secretary is unable to fulfill his/her duties, an acting secretary should be appointed. He/she must meet NRHA requirements. The approved show secretary must submit a written explanation to NRHA for his/her absence. The acting show secretary must remain at the grounds for the show's duration.
- As a reminder you as secretaries should accept all processing at the show office. We recommend to highly encourage the use of ReinerSuite. It might be helpful to set up a computer in the office to help show members how to complete their transactions online. If they are not interested in doing it through ReinerSuite, you should accept all the hard copies and send them in with the show results.
