

Show Secretary & Manager Newsletter

April 2024

Did You Get My Email?

Throughout the show process you will receive many communications from NRHA. This includes confirming details on your show approvals, receiving these newsletters that include important reminders and updates, along with following up with reminders about show results, receiving the problem report, 5% show fee, and medications fees. NRHA communicates with the username associated with the show secretary for all official communications regarding your event.

If the username you have listed on file is not a good method of communication, please reach out to Lauren Waymire at lwaymire@nrha.com to get it updated!

Medication Testing & Report Form Reminder

As a reminder, per the NRHA [Fees Policy](#), medications testing will be conducted at all NRHA-Approved North American "AA" events, Affiliate Regional Championships (ARCs), and NRHA-Owned events. The medication fee at these specific events is \$35 per horse. Additionally, all other NRHA-approved events are subject to testing and these events will be notified prior to the start date if selected for random testing.

Please remember that all [Medications Report Forms](#) received in the show office during an event must be turned in by the required deadline to the NRHA office.

Please contact medications@nrha.com with any additional questions.

Sponsorship Webinar

Check out this recorded webinar on attracting and engaging sponsors to partner with your events. Watch at your convenience for ideas and examples that may benefit your event - and feel free to share with anyone on your team that would be interested. <https://vimeo.com/858706023/57daaeb40e>

horseIQ™

NRHA has partnered with the American Paint Horse Association to offer an incredible virtual learning platform called horseIQ™! This platform offers digital learning through online courses that cover topics such as scribing and judging and can be used as a warm-up for judges or to increase a competitor's insights. Understanding exactly what judges evaluate can help riders learn how to improve their scores in the show pen.

Check-out the incredible opportunity by visiting <https://www.horseiq.com/>.
