## New NRHA Patterns 17 & 18

Did you know the new patterns 17 & 18 are lope in versions of patterns 5 & 13? These don't have the intensity of a run-in but do allow for runs to be completed with more efficiency. The length of show days can have a detrimental impact on members and their overall enjoyment of NRHA shows, plus the impact on show staff and officials. These patterns could help with the length of show days!

# Intro to CSV Format Results Webinar

Have you ever wondered how to expedite the process of submitting your show results to NRHA and missed the first webinar? Exciting news for all NRHA secretaries – we are hosting a second! You can easily export your results from your show program as a CSV file and send it directly to NRHA! This streamlined format allows NRHA to upload your show results in one motion, leading to quicker processing times and more accurate results.

Join us for our upcoming webinar hosted by the NRHA Approval and Results Team on **Tuesday, March 5th at 2pm CST!** In this session, we will introduce the crucial role of CSV files within NRHA Results and provide valuable insights into their functions. Get ready for a comprehensive discussion on submitting 2024 results documentation, where we'll share tips and tricks to streamline your documentation process. Whether you're a seasoned participant or new to NRHA, this webinar is designed to enhance your understanding and proficiency in navigating NRHA's results submission.

Following the success of our first presentation, we're thrilled to offer this second opportunity to those who were not able to attend the first webinar. Save the date and stay ahead in the game! Don't miss out on this chance to elevate your skills and make your results submission process a breeze.
