

AFFILIATE DESIGNATION FORM

ON THE ROAD TO YOUR ARC- DON'T FORGET TO DESIGNATE

Must be received in the NRHA Office by August 1st of the current year.

In order to qualify for the Affiliate Regional Championships (ARC) ALL EXHIBITORS MUST HAVE A PRIMARY AFFILITE DESIGNATION REGISTERED WITH THE NRHA OFFICE NO LATER THAN AUGUST 1ST OF EACH YEAR. This designation must be registered in paper form. Once a designation is registered, it will apply from year to year unless changed by the exhibitor in writing to the NRHA Affiliate Department. Changes must be in place no later than August 1st. Those exhibitors that have qualified in the top fifteen for their circuit and have designated by August 1st will be guaranteed their qualifying position. Any new designations or changes to current designation received after August 1st will be subject to review by the NRHA Affiliate Department and the exhibitor will be notified of the decision. Riders are only eligible to compete in classes they qualified for if there are vacant qualifying positions. If all top fifteen qualifying positions are filled and new designations or changes made to the designation after August 1st will become effective for the next years qualification period.

Exhibitors must be a current member of the designated affiliate.

NRHA is not responsible for designations that are not received by the deadline (**postmarks do not count**).

Affiliate standings are on the NRHA website, www.nrha.com. **Riders who have not designated and/or belong to more than one affiliate will appear in red.** If you have any questions, please contact the NRHA Affiliate Department at (405)946-7400.

WHY DESIGNATE?

Designating allows for the ability to qualify for the Affiliate Regional Championships. Riders may join and support multiple affiliates, but can only designate to one.
