Gold Medal Service
The USRider Roadside Assistance team includes more than 100,000 dedicated service professionals throughout the United States, Canada and Alaska. This means you will receive fast, efficient service, 24/7 from highly trained roadside assistance professionals.

A Leg Up On The Competition
The USRider Equestrian Motor Plan is truly in a class by itself. For an annual fee comparable to that of typical motor plans, you will enjoy exclusive services created specifically for equestrians. Typical motor plans can leave you stranded if you are towing a trailer – especially a loaded horse trailer. Now with two levels of Membership, choose the coverage that best suits your traveling needs!

*"The Member Care Specialist was very helpful, ensuring that my horse and I were safe. The service provider was very professional and helpful. He changed the tire very quickly and ensured that the rest of the tires were accurately inflated."
