2026 Show Kit Available

The 2026 NRHA Show Kit is still available for download. Please use the link [here](#) and make sure you are using the **updated 2026 forms**.

If a membership application or renewal is submitted at your event, please provide the exhibitor with a **temporary membership card or license**. This allows the exhibitor to verify eligibility at their next show.

Please also provide the [Show Representative Guideline](#) to your assigned Show Representative.

Show Arena Schooling Policy

NRHA allows schooling during approved classes when done safely and respectfully. Secretaries and show management should be aware of the following requirements.

Exhibitors must:

- Zero upon entry
- Follow show time limits
- Use legal attire and equipment
- Avoid excessive schooling

Judges may call **no score and dismiss the exhibitor** if these rules are violated to protect horse welfare and the integrity of competition.

Medication Report Forms

To make medication reporting easier for everyone, NRHA offers a secure [Electronic Medication Report Form](#). The online form is the fastest and simplest way to submit your report, and we strongly encourage exhibitors to use it whenever possible.

If you choose to use the printable form, please make sure it is **completely filled out**, including all required information and signatures. Incomplete forms will not be accepted.

All printed forms must be emailed to medications@nrha.com as soon as they are received. Medication report forms should not be sent through regular mail to ensure timely reporting.

Thank you for helping us keep the process smooth, secure, and efficient for all exhibitors.

European Trophy Program

Effective January 1, 2026, the National Reining Horse Association (NRHA) proudly launched the European Trophy Program (ETP), designed to significantly reduce costs associated with trophy importation and shipping while upholding the high standard of excellence our events represent.

All ETP trophies will be manufactured and shipped directly from **Italy**, dramatically decreasing prior shipping and customs expenses, with only a modest shipping and handling fee remaining.

Event organizers will request their trophies through the standard event approval process, after which NRHA staff will coordinate and place the orders directly to ensure accuracy, consistency, and timely delivery.

2026 Trophy Price Reminder

As previously announced in the October 2025 and January 2026 newsletters, updated NRHA trophy pricing went into effect on **January 1, 2026**. The updated prices can be found in your 2026 Show Kit and nrha.com/forms.

Please ensure that all 2026 event purse calculations use the updated trophy pricing when an official NRHA trophy is awarded.

This applies to all classes and categories.
